

# Kings Island YOUTH PROGRAMS

## GROUP PARKING INFORMATION

- 1** Upon arriving to the Kings Island Toll Plaza, please proceed to the designated Bus & RV lane on the far left hand side of the plaza.
  - Parking is free for full-size buses with 15 or more passengers (not including the bus driver). 12–16 passenger vans also qualify for free parking if logo of organization is displayed on the vehicle.
- 2** Buses will be directed by a parking attendant to park in the bus lot, located near the main Kings Island entrance.
  - Encourage your group to take note of where the bus is parked so they may find the bus at the end of their visit.
  - If the bus is merely dropping off your group and not staying in the lot all day, your bus will still need to proceed to designated bus parking to unload and leave.
- 3** Proceed to the Front Gate, where you will be screened by Security and have your ticket scanned at the park turnstiles.

**Bus Driver Admission:** At the Kings Island Toll Plaza, the bus driver will receive a receipt for parking that can be shown at Guest Services for one bus driver courtesy admission ticket. The original parking receipt and a valid CDL are required. Only one bus driver ticket per bus is issued and is only valid on the day the bus arrives (date listed on the receipt).

**If you get lost or need assistance,  
call our park operators at 513-754-5700.**
