Knott's BERRY FARM®

FOOD ALLERGEN & DIETARY RESTRICTIONS GUIDE

Updated October 24, 2025

TABLE OF CONTENTS

Knott's Berry Farm offers a wide variety of foods. Our restaurants prepare and serve products that contain PEANUTS, TREE NUTS, FISH, SHELLFISH, EGGS, MILK, SOY, AND GLUTEN. Regular kitchen operations involve shared cooking and preparation areas. Food variations may occur due to differences in suppliers, ingredient substitutions, recipe revisions, and/or preparation at the restaurant. For these reasons, we cannot guarantee that any menu item will be completely free of allergens. If you adhere to a specific dietary regimen or have food allergies, please speak to a Chef or Food and Beverage Supervisor/ Manager for guidance and recommendations. Our supervisory staff will be happy to provide manufacturer ingredient lists upon request.

If you or a member of your group has a severe food allergy, please contact the park at **714.220.5092** and/or **info@knotts.com** prior to visiting for more information about available options.
