For Your Safety and Convenience

At Knott's Berry Farm, we want all of our guests to have a safe and enjoyable day. Every guest has different capabilities and limitations. Guests of extreme size, those with temporary disabilities (such as casts and braces), and certain permanent disabilities (such as neuromuscular disorders, amputations, and other disabling conditions) may be prohibited from participating on some attractions for safety reasons. Hand-held infants may not be taken on the park's more aggressive attractions. Expectant mothers and guests with heart or back conditions should be cautious in deciding which attractions to experience.

For your protection, all the attractions here at Knott's Berry Farm incorporate safety systems that are designed by the manufacturer to accommodate people of average physical stature and body proportion. All passenger restraint systems, including lap bars, shoulder harnesses, and seatbelts must be positioned and fastened properly to allow guests to ride. Due to rider restraint requirements, guests of extreme size may not be accommodated on some of our attractions. This may apply, but not be limited to, guests who exceed 6' 2", those who exceed 250 pounds (some attractions may have lower weight restrictions), or those who have a 46" waistline or 54" chest. Extremely large or small individuals, guests who have a history of heart, back, or neck trouble, or recent surgery, expectant mothers, guests with casts, braces, restrictive devices, or disabilities may be affected by the requirements needed to ensure these systems operate properly.

Our ride admission policy has been developed in consultation with the recommendations of the manufacturer, our past experience, and the evaluation of each attraction using our knowledge of the attraction both in normal and emergency operating conditions. Our prime consideration is the ability of each guest to endure the dynamics of each attraction without the risk of injury to that guest or other riders. If you would like more ride information, please request a "Guest Assistance Guide" available at Guest Services, located in Ghost Town. We'll be happy to brief you on our ride admission policy and explain how it applies to your specific situation.

Most attractions cannot accommodate strollers, backpacks, cameras, stuffed animals, or bulky objects. Please leave them with a non-riding friend. Ride Operators cannot be responsible for these items. For safety reasons, eating/drinking, taking pictures, videotaping, and filming while participating on the attractions is prohibited. Headwear is discouraged on most attractions; however, if worn, it must be secured.

Some attractions may require a Supervising Companion to accompany a guest. A Supervising Companion is someone who meets all the requirements to ride the ride themselves, is 14 years of age or older, and demonstrates appropriate observed behavior.

WARNING:

Many rides at Knott's Berry Farm are dynamic and thrilling. There are inherent risks in riding any amusement ride, such as high speed, deep drops, sharp turns, or other dynamic forces. For your protection, each ride is rated for its special features. If you choose to ride, you accept these risks. Restrictions for guests of extreme size (height or weight) are posted at certain rides. Guests with disabilities should refer to our Guest Assistance Guide available at Guest Services. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, **DO NOT RIDE!**

LINE JUMPING IS NOT TOLERATED — To permit guests to enjoy rides as quickly as possible, line jumping is not allowed. Line jumping is defined as: cutting in front of other guests already waiting in line; leaving a line then trying to re-enter the line at the same point; or saving a place for someone.
